On the 20<sup>th</sup> May, 1953, the Government of India announced their decision regarding the Bellary taluk after consideration of the report of Mr. Justice Misra. 3. (3) Every person who is required to serve under sub-section (1) or sub-section (2) in connection with the affairs of the State of Andhra or the State of Mysore shall,-

(a) if immediately before the appointed day he is holding any post

in connection with the affairs of the State of Madras in any area which on,that day falls in the State in which he is so required to serve, be deemed as from that day to have been duly appointed to that post by the Government of, or by other appropriate authority in the State concerned in connection with the affairs of that State; and

(4) All persons who are required by the President under sub-section (2) to serve in connection with the affairs of the State of Andhra shall be classified by him into the following two categories, namely:-

(i) officers whose allocation to the State of Andhra is final (hereinafter referred to in this section as "allotted officers"), and

(ii) officers required by the President to serve in connection with the affairs of the State of Andhra for a limited period as provided in sub-section (5) (hereinafter referred to in this section as "transferred officers").

(5) The period for which a transferred officer may be required to serve in connection with the affairs of the State of Andhra shall be two years: Provided that the Government of Andhra may return any such officer to the State of Madras at any time before the expiration of the said period after giving three months' notice to him and to the Government of Madras.

(6) An officer shall be classified under sub-section (4) as an allotted officer or a transferred officer according as he is, or is not, in the opinion of the President, suitable for final allotment to the State of Andhra.

The report of the Madras Public Service Commission as to the work done by the Commission in respect of any period prior to the appointed day shall be presented under clause (2) of Article 323 to the Governors of Andhra and Madras, and the Governor of Madras shall on receipt of such report cause a copy thereof together with a memorandum explaining, as far as possible, as respects the cases, if any, where the advice of the Commission was not accepted, the reasons for such non-acceptance to be laid before the Legislature of the State of Madras and it shall not be necessary to cause such report or any such memorandum to be laid before the Legislative Assembly of the State of Andhra. "The report as to the work done by the Madras Public Service Commission in respect of any period prior to the appointed day would really concern the States of Andhra and residuary Madras. The State of Mysore would hardly be concerned with it as it is not likely that the report will deal specially

with any cases relating to the territory sought to be added to that State by sub-clause (1) of clause 4 (now S. 4). It is accordingly proposed that the report for any such period shall be presented to the Governors of Andhra and Madras only. It is further proposed that any such report or the memorandum which is to accompany it under clause (2) of article 323 of the Constitution need not be laid before the Legislative Assembly of the State of Andhra as the Government of that State can hardly be expected to explain the reasons for non-acceptance of recommendations of the Madras Public Service Commission by the Government of the undivided State of Madras but both the report and the memorandum will have to be laid before the Legislature of the residuary State of Madras" -S.O.R.

**66. Special provisions with regard to Tungabhadra Project**  
:-

(2) An agreement or order referred to in sub-section (1) shall, if there has been an extension or further development of the Project after the appointed day, provide also for the rights and liabilities of the States of Andhra and Mysore in relation to such extension or further development.
