Provided that where appointment of persons initially made otherwise than in accordance with the relevant recruitment rules is subsequently regularized in consultation with the Commission, where necessary, seniority of such persons shall be determined from the date of regularization and not from the date of appointment. The inter-se-seniority amongst such persons shall, however, depend on the date of appointment of each such person in the department or office concerned. Provided further that if any person selected for appointment to any post does not join within two months of the offer of appointment, his seniority shall count from the date on which he joins the post unless the appointing authority for reasons to be recorded in writing condones the delay. (2) Where the inter-se-seniority amongst several persons has not been determined prior to the coming into force of these rules, such seniority shall, on the coming into force of these rules, be determined on the basis of actual date of their joining. When the date of joining of all such persons is the same, seniority shall be determined on the basis of date of birth, person retiring earlier being adjudged as senior. When the date of birth is the same, seniority shall be determined on the basis of total marks obtained

(4) Where promotions to a post, cadre or grade are made from one post, cadre or grade, the relative seniority of the promotees, from different posts, cadre or grades shall be according to the order of merit determined by the Commission or the selecting authority, if such posts, cadres or grades do not come within the purview of the Commission. Note 1. A list of candidates for the purpose of selection for promotion shall be prepared in all cases by the selecting authority when appointments are made on promotion in a single process of selection of more than one person.
