**59. Penalties for unauthorised occupation of land :-**

Any person who shall unauthorizedly occupy any land set apart for any special purpose, or any unoccupied land which has not been alienated, shall, if the land which he unauthorizedly occupies forms part of an assessed survey number, pay the assessment of the entire number for the whole period of his occupation; and if the land so occupied by him has not been assessed, such amount of assessment as would be leviable for the said period in the same village on the same extent of similar land appropriated to the same purpose; and shall also be liable, at the discretion of the Deputy Commissioner, to a fine not exceeding five rupees, or a sum equal to ten times the amount of assessment payable by him for one year, if such sum be in excess of five rupees, if he has taken up the land for purposes of cultivation, and not exceeding such limits as may be fixed in rules or orders made in this behalf under Section 233 if he have appropriated it to any non-agricultural purpose. The Deputy Commissioner's decision as to the amount of assessment payable for the land unauthorizedly occupied, shall be final, and in determining the amount of assessment payable for the land unauthorizedly occupied, occupation for an incomplete portion of a year shall be counted as for a whole year. The person unauthorizedly occupying any such land may be summarily evicted by the Deputy Commissioner, and any crops he may have raised on the land shall be liable to forfeiture, and any building or other construction he may have erected thereon shall also, if not removed by him after such written notice as the Deputy Commissioner may deem reasonable, be liable to forfeiture. Forfeiture under this section shall be adjudged by the Deputy Commissioner, and any property so forfeited shall be disposed of as the Deputy Commissioner may direct. <sup>1</sup> [On the application of the holder of an alienated village or on complaint by any aggrieved person, the Deputy Commissioner may exercise in respect of any lands situated in the alienated village the powers vested in him under this section.]

1. Added by Act No. XVII of 1928.

**60. Occupancy rights to be paid for and to be liable to certain conditions :-**

It shall be competent to the Deputy Commissioner, subject to such orders as may from time to time be made by the Government, to require the payment of a certain price for the occupancy, or to sell that right by auction, and to annex such conditions to the occupancy as may seem fit, before permission to occupy is granted under Section 58. The price of an occupancy shall, unless otherwise directed by the terms of the sale, include the price of the Government right to all trees not reserved under the provisions of Section 41 and shall be recoverable as an arrear of land revenue.

**61. Occupancy of alluvial land which vests in Government :-**

When it appears to the Deputy Commissioner that the occupancy of any alluvial land which vests, under any law for the time being in force, in Government, may, with due regard to the interests of the public revenue, be disposed of in perpetuity, or otherwise as the Government may direct by rules or orders made in this behalf under Section 233, he shall offer the prior right of occupancy thereof to the occupant, if any, of the bank or shore on which such alluvial land has formed. The price of an occupancy so offered shall not exceed three times the annual assessment of the land of which the occupancy is offered. If the said occupant shall refuse such occupancy, the Deputy Commissioner may dispose of the same under the last preceding section without any restrictions as to the price thereof.

**62. Temporary right to alluvial land of small extent :-**

When alluvial land forms on any bank or shore, the occupant, if any, of such bank or shore shall be entitled to the temporary use and occupation thereof, unless or until the area of the same exceeds half an acre, and also exceeds one-tenth of the area of his holding. When the area of the alluvial land exceeds the said extent, it shall be at the disposal of the Deputy Commissioner, subject to the provisions of the last preceding section. The word "holding", in this section and in Section 47 shall be deemed to mean a survey number, or any division of land on which a distinct or aggregate assessment has been fixed.

**63. Uses to which occupant of land for purposes of agriculture may put his land :-**

(1) An occupant of land appropriated for purposes of agriculture is entitled, by himself, his servants, tenants, agents, or other legal representatives, to erect farm-buildings and dwelling houses for agriculturists and their labourers, construct wells or tanks, or make any other improvements thereon for the better cultivation of the land or its more convenient occupation for the purposes aforesaid.

(2) But if any occupant wishes to appropriate his holding or any part thereof to any other purpose, the Deputy Commissioner's permission shall, in the first place, be applied for by the registered occupant. The Deputy Commissioner, on receipt of such application, shall at once furnish the applicant with a written acknowledgement of its receipt, and, after inquiry, either grant or refuse the same, but if the applicant receives no answer within three months from the date of the said acknowledgement, the Deputy Commissioner's permission may be deemed to have been granted. Unless the Deputy Commissioner shall, in particular instances, otherwise direct, no such application shall be recognized, except it be made by the registered occupant.

(3) When any such land is thus appropriated to any purpose unconnected with agriculture, it shall be lawful for the Deputy Commissioner, subject to general orders of Government, to require the payment of a fine in addition to any new assessment which may be leviable under the provisions of Section 48.

**64. Penalty for so appropriating land without permission :-**

If any such land be so appropriated without the permission of the Deputy Commissioner being first obtained or before the expiry of three months from the date of the said acknowledgement, the occupant and any tenant or other person holding under or through him shall be liable to be summarily evicted by the Deputy Commissioner, from the land so appropriated, or from the entire field or survey number of which it may form a part, and the registered occupant shall also be liable to pay, in addition to the new assessment which may be leviable under the provisions of Section 48, for the period during which the said land has been so appropriated, such fine as the Deputy Commissioner may, subject to the general orders of the Government, direct. Any co-occupant or any tenant of any occupant, or any other person holding under or through an occupant, who shall, without any registered occupant's consent, appropriate any such land to any such purpose and thereby render the said registered occupant liable to the

penalties aforesaid, shall be responsible to the said registered occupant in damages:

Provided that the Deputy Commissioner may, instead of fining the registered occupant as aforesaid, fine any co-occupant or any tenant of any occupant, or any other persons holding under or through an occupant, who may have, without the registered occupant's consent, appropriated any such land to any such purpose as aforesaid.

**64A. Deputy Commissioners powers under Sections 63 and 64 in alienated villages :-**

<sup>1</sup> [The Deputy Commissioner may also exercise the powers under Section 63 and Section 64, in respect of land in an alienated village on the application of the holder thereof and in the case of villages to which Section 99(d) of the said Code does not apply, also on the application of the tenant of the land.]

1. Added by Act No. XVII of 1928.

**65. Permission may be granted on terms :-**

Nothing in the last two preceding sections shall prevent the granting of the permission aforesaid in special cases on such terms as may be agreed on between Government and the registered occupant.

**66. Occupants rights are conditional :-**

An occupant is entitled to the use and occupation of his land for the period, if any, to which the occupancy is limited, or, if the period is unlimited, in perpetuity, conditionally on the payment of the amounts due on account of the land revenue for the same according to the provisions of this Act, or of any rules made under this Act, or of any other law for the time being in force, and on the fulfilment of any other terms lawfully annexed to his occupancy.

**66A. Deputy Commissioners power to grant permission to occupy land temporarily :-**

<sup>1</sup> [(1) It shall be lawful for the Deputy Commissioner at anytime to grant permission to any person to occupy unalienated unoccupied land for such purposes, for such period and on such conditions as he may, subject to rules made by Government in this behalf, prescribe, and in any such case the occupancy shall, whether a survey settlement has been extended to the land or not, be held only for the period and subject to the conditions so prescribed.

(2) Whenever any person occupying or in possession of any land granted under this section fails to comply with any of the conditions so prescribed, such person may be evicted by the Deputy Commissioner, after a summary inquiry.

1. Added by Act No. XVII of 1928.

**66B. Transfer of occupancy without Deputy Commissioners sanction :-**

In any case where an occupancy is not transferable without the previous sanction of the Deputy Commissioner, and such sanction has not been granted to a transfer which has been made or which is ordered by a Civil Court or on which the Court's decree or order is founded.

(a) such occupancy shall not be liable to the process of any Court, and such transfer shall be null and void; and

(b) the Court, on receipt of a certificate under the hand and seal of the Deputy Commissioner to the effect that any such occupancy is not transferable without his previous sanction and that such sanction has not been granted, shall remove any attachment or other process placed on, or set aside any sale of, or affecting, such occupancy.]

**67. Decree or order of Competent Court to be given effect to :-**

If, by a decree or order of a Competent Court, it shall be adjudged that the occupant of any land is an inferior holder under another person, or that the occupancy is vested in another person, or if in the execution of such a decree or order the interests of the occupant in the land have been transferred by sale or otherwise to another person, such other person shall, on producing a certified copy of the decree or order, or the Court's certificate of the sale, or other transfer, be deemed to be the occupant and be dealt with accordingly, and on written application being made to the Deputy Commissioner for the purpose, such change shall be made in the entry of the registered occupant's name as the circumstances require.

**68. Name of heir to be registered when registered occupant dies :-**

On the death of a registered occupant, the Deputy Commissioner shall cause the name of his eldest son, or other person appearing to be his heir or the principal of his heirs, to be registered in his stead,

and the said heir shall thereafter be deemed the registered occupant, and, subject to the provisions of the last preceding section, shall be dealt with accordingly.

**69. When entry to be amended :-**

If at any time any person shall, by production of a certificate of heirship or of a decree or order of a Competent Court, satisfy the Deputy Commissioner that he is entitled to be the registered occupant in preference to the person whose name the Deputy Commissioner has ordered to be registered under Section 68, the Deputy Commissioner shall cause the entry in the Government records to be amended accordingly.

**70. Right of occupancy to be transferable and heritable :-**

The right of occupancy shall be deemed an heritable and transferable property subject to the provisions contained in Section 54, or otherwise prescribed by law, and shall immediately pass to the person whose agreement to become an occupant shall have been accepted by the Deputy Commissioner.

**71. Occupant may relinquish his occupancy :-**

An occupant may, by giving written notice to the Amildar or Deputy Amildar, relinquish his occupancy, either absolutely or in favour of a specified person: provided that such relinquishment apply to the entire occupancy or to whose survey numbers, or recognized shares of survey numbers. An occupancy absolutely relinquished shall be at the disposal of Government, and shall be disposed of by the Deputy Commissioner in accordance with such rules as may, from time to time, be framed by Government in that behalf. An absolute relinquishment shall, unless otherwise directed by any special or general rules framed by Government, be deemed to have effect from the close of the current revenue year, and notice thereof must be given before the 31st March in such year, or before such other date as may be, from time to time, prescribed in this behalf for each district by the Government. A relinquishment in favour of a specified person may be made at any time. When there are more occupants than one, the notice of relinquishment must be given by the registered occupant; and the person, if any, in whose favour an occupancy is relinquished, or, if such occupancy is relinquished in favour of more persons than one, the principal of such persons, must enter into a written agreement to become the registered occupant, and his name shall thereupon be substituted in the records for that of the previous registered occupant.

## **72. Relinquishment of lands paying a lump assessment :-**

When a lump assessment is fixed upon several fields or survey numbers in the aggregate, it shall not be lawful for the occupant to relinquish as aforesaid any one or more of such fields or survey numbers except with the previous consent of the Deputy Commissioner. It shall be competent to the Deputy Commissioner to grant or refuse his consent; if he grants it, the occupancy shall be divided, and the Deputy Commissioner, shall determine the proportional amount of land revenue to be paid by each portion of it and the original occupant and the person, if any, in whose favour he relinquishes a portion of his occupancy, shall be held liable for the revenue severally assessed on their portions.

## **73. Relinquishment of alienated land :-**

The provisions of the last two sections shall apply, as far as may be, to the holders of alienated land:

Provided.

(a) that it shall not be lawful to relinquish as aforesaid any portion of any land held wholly or partially exempt under the circumstances described in the first paragraph of Section 49 until the commuted assessment payable in respect of such portion of land has been determined under the provisions of the said section; and

(b) that if any person relinquishes land on which, under the circumstances described in Section 49, a larger revenue is levied than would ordinarily be leviable on such land, he shall be deemed to have relinquished also the land held with it which is wholly or partially except from payment of revenue.

## **74. Right of way to relinquished land :-**

If any person relinquishes land, the way to which lies through other land which he retains, the right of way through the land so retained shall continue to the future holder of the land relinquished.

## **75. Sections 72 and 73 not to operate in certain cases :-**

Nothing in Sections 72 and 73 shall affect

(a) the responsibility of any share in a village for the land revenue of which the shares are all according to law or the custom of the village, jointly responsible, or

(b) the validity of the terms or conditions of any lease or other express instrument under which land is, or may hereafter be, held

from Government.

**76. Occupant or holder to continue liable for all demands until the occupancy or holding is duly relinquished or transferred :-**

The registered occupant or the holder of alienated land shall continue liable for the land revenue due on the occupancy or alienated holding and for all other lawful demands of Government in respect of the same, until such time as the occupancy or alienated holding is relinquished or transferred, under any of the provisions of this Act, to the name of any other person; and the Deputy Commissioner shall not be bound in any case to recognize any person to whom any interest in any portion of an occupancy or alienated holding has been assigned, unless the transfer has been recorded in the Revenue Records in accordance with the foregoing provisions.

**77. To prevent forfeiture of occupancy, certain persons other than the registered occupant may pay the land revenue :-**

In order to prevent the forfeiture of an occupancy or alienated holding under the provisions of Section 54 or of any other law for the time being in force, through non-payment, by the registered occupant or by the holder of the alienated holding, of the land revenue due on account of the occupancy or alienated holding, it shall be lawful for any co-occupant, co-holder, co-sharer, tenant, mortgagee or other person interested in the continuance of the occupancy or alienated holding, to pay, on behalf of such registered occupant or holder, all sums due on account of land revenue, and for the Deputy Commissioner to receive the same. And in any such case, the Deputy Commissioner may give to the person who has paid the land revenue as aforesaid such aid for the recovery of the proportional amounts which he may consider to be properly payable by other persons in occupation or enjoyment of parts of a field or survey number or alienated holding as he might legally have given had the persons so paying been the registered occupants or holders of alienated holdings:

Provided that nothing authorized or done under the provisions of this section shall affect the rights of the parties interested as the same may be established in any suit between such parties in a Court of competent jurisdiction.

**78. Deputy Commissioner may in certain cases make co-**

**occupant or other person registered occupant instead of selling occupancy for realization of land revenue :-**

If it shall appear to the Deputy Commissioner that a registered occupant or holder of an alienated holding has failed to pay land revenue, and has thus incurred forfeiture with a view to injure or defraud his co-occupants, co-holders, co-sharers or other persons interested in the continuance of the occupancy or alienated holding, or that a sale of the occupancy or alienated holding will operate unfairly to the prejudice of such co-occupants co-holders, co-sharers or other persons, it shall be lawful for him, instead of selling the occupancy or alienated holding, to forfeit only the interest in the same of the said registered occupant or holder of alienated holding, as the case may be, and to substitute the name of any such co-occupant, co-holder, co- sharer, or other person as registered occupant or holder thereof in the revenue records, on his payment of all sums due on account of land revenue for the occupancy or alienated holding; and such person so becoming the registered occupant or holder shall have the rights and remedies with respect to all other persons in occupation or enjoyment provided for by Section 97.

CHAPTER 7

Of Superior and Inferior Holders Tenancy

**79. Amount of rent payable by tenant :-**

A person placed, as tenant, in possession of land by another, or, in that capacity, holding, taking or retaining possession of land permissively from or by sufferance of another, shall be regarded as holding the same at the rent, or for the services, agreed upon between them; or, in the absence of satisfactory evidence of such agreement of the rent payable or services renderable by the usage of the locality, or, if there be no such agreement or usage, shall be presumed to hold at such rent as, having regard to all the circumstances of the case, shall be just and reasonable. And, where, by reason of the antiquity of a tenancy, no satisfactory evidence of its commencement is forthcoming, and there is not any such evidence of the period of its intended duration, if any, agreed upon between the landlord and tenant, or those under whom they respectively claim title, or any usage of the locality as the duration of such tenancy, it shall, as against the immediate landlord of the tenant, be presumed to be co-extensive with the duration of the tenure of such landlord and of those who derive title under him.

<sup>1</sup>[Explanation. In the following cases, such a presumption shall be

raised.

(1) where the tenant has been recognised as a permanent tenant by the landlord or by a Court in a suit to which the landlord was a party;

(2) where a tenant holds land in respect of which any alienation has been recognised by the landlord or by a Court in a suit to which the landlord was a party or where the alienation has not been contested by the landlord for twelve years from the date of the service of notice of alienation to the landlord;

(3) where for the better cultivation of the holding the tenant has made permanent improvements thereon to the knowledge of the landlord and has been in undisturbed possession of the holding continuously for twelve years thereafter: provided that the landlord has made no contribution for such improvements nor recovered enhanced rent from the tenant nor given any notice in writing to the tenant that such improvements would not create any new rights;

(4) where, in the absence of a contract regarding the nature and duration of the tenancy, the tenant has established that he has been in continuous possession on payment of fixed rent for a period of <sup>2</sup> [twelve] years or more.] And where there is no satisfactory evidence of the capacity in which a person in possession of land in respect of which he renders service or pays rent to the landlord, receives, holds or retains possession of the same, it shall be presumed that he is in possession as tenant. Nothing contained in this section shall affect the right of the landlord (if he have the same either by virtue of agreement, usage or otherwise) to enhance the rent payable, or services renderable, by the tenant, or to evict the tenant for non-payment of the rent or non-rendition of the services, either respectively originally fixed or duly enhanced as aforesaid.

2. Substituted for the word "twenty" by Act No. XVII of 1939.

### **80. Annual tenancy terminates on 31st March :-**

duly empowered in this behalf may, on the application of the tenant, determine to be fair and reasonable, shall be accepted by the landlord.

Provided that the enhancement of rent due to additional value imparted to a holding under this section shall be fixed in accordance with the established local usage of the village, or, where there is no such local usage, in accordance with rates of assessment prevailing in neighbouring villages as regards lands, alienated or unalienated, of similar quality with similar advantages; and

(d) to the extent of the increased area of the holding due to alluvion, but subject to the conditions specified in Sections 46 and 62.

(2) to the extent of any reduction of assessment at a survey or revision of survey under Sections <sup>1</sup> [111, 115 and 120;]

(3) when there has been an enhancement of rent on any of the grounds specified in clauses (b) and (c) of Section 86, to the extent to which such grounds have ceased to exist, as well as to the extent to which the holding has deteriorated in value, by reason of the superior holder's neglect to repair or maintain irrigation works

1. Added by Act No. XVII of 1939.

**88. Suit for enhancement or abatement of rent to be made to Deputy Commissioner :-**

Any person entitled to have rent enhanced or abated upon any of the grounds specified in Sections 83, 86 and 87 may bring a suit before the Deputy Commissioner within whose district the land on account of which such rent is payable is situated, and such Deputy Commissioner shall decide the suit after holding a formal enquiry.

If he shall be of opinion that the lease is a proper one, he shall pass a decision directing the tenant to accept the lease and to execute a reciprocal engagement in accordance with it. If the Deputy Commissioner shall be of opinion that the lease offered is not a proper one, he shall decide what lease ought to be offered and shall pass a decision directing the tenant to accept such lease and to execute a reciprocal engagement in accordance therewith. If, within six months after the date of the Deputy Commissioner's decision, the tenant shall not have accepted the lease, as approved or amended by the Deputy Commissioner in the manner aforesaid, and shall not have

The power conferred by any such commission shall extend to the enforcement of the payment of the revenue or rent of the current revenue year and of the revenue year next immediately preceding, but not that of former years.

**104. Holder of commission not to enforce any unusual or excessive demand :-**

The holder of any such commission shall not enforce a demand for revenue or rent in excess of what any inferior holder has paid previously to the date of such demand, or of what he may have contracted to pay by an instrument in writing duly registered in accordance with the law for the time being in force relating to the registration of assurances, or of what may have been decided as the proper amount of rent by a decision under Section 88, 92 or 93. In the event of a dispute, the Deputy Commissioner shall hold a summary enquiry and decide what is just, and the holder of the commission shall not enforce a demand for more than what is so decided to be just. The person against whom any demand shall have been enforced in excess of the amount of which payment is lawfully enforceable, shall be entitled to recover, on conviction of the holder of the commission in a summary inquiry before the Deputy Commissioner, three times the amount of any such excessive demand by way of damages and the sum so due by the holder of the commission shall be leviable from him as an arrear of land revenue.

(3) In fixing the assessment under this section, regard shall be had to the requirements of the proviso to Section 50.

(4) Nothing in this section shall be deemed to prevent the Survey Officer aforesaid from determining and registering the proper full assessment on lands wholly exempt from payment of land revenue, or on all lands especially excepted under Section 106 from the survey settlement, or from dividing all such lands to which the survey extends into survey numbers.
