STATEMENT OF OBJECTS AND REASONS ~~ACT~~ NO. 51 OF 1981 Karnataka Gazette, Extraordinary, dated 3-2-1981 The Mysore Factories (Control of Dismantling) Act, 1944 which is in force in the old Karnataka State, prohibits the dismantling of any factory or the removal of any spare parts kept for maintaining the machinery of a factory, without the written permission of the Government. The law was enacted, obviously, in the context of the situation then prevailing when India was involved in the second world war. It is felt that there is no need for the above measure in the circumstances now prevailing. Hence this Bill to [ x x x x x ] (First published in the Karnataka Gazette, Extraordinary, on the Twenty-sixth day of November, 1981) (Received the assent of the President on the Seventeenth day of November, 1981)
