STATEMENT OF OBJECTS AND REASONS. MAHARASHTRA STATE GAZETTE, Sept. 29, 1977. The Co-operative Sugar Factories arc specified societies under section 73G of the Maharashtra Co-operative Societies Act, 1960, and the elections to their committees are required to be held by the Collectors of the Districts in the

manner laid down in Chapter XI-A of the Act. 2. Under the Maharashtra Specified Co-operative Societies (Postponement of Elections due to the Emergency) Act, 1975, the elections to committees of all specified societies including the Co-operative Sugar Factories, were postponed during the period of the Emergency declared on 25th June 1975 and six months thereafter. As the Emergency has been withdrawn on the 21st March 1977, the elections inter cilia to the committees of the Co-operative Sugar Factories were required to be held so as to constitute new committees by the 21st September 1977. 3. Holding of elections according to the procedure laid down in Chapter XI-A of the Act of the committees of the three Co-operative Sugar Factories specified in Schedule 1 to this Act, which are under erection, would have unnecessarily diverted the attention of the management and of the members of these societies, and thereby disturbed and dislocated their erection programme or the dates for starting of trial crushing season. It was, therefore, necessary to postpone elections of these societies and to extend the term of office of existing members of committees or administrators of these societies for a period of more than a year upto and inclusive of the 20th October 1978, to enable them to complete their erection programme satisfactorily or to start their trial crushing season at the appropriate time. Similarly, it was considered necessary to postpone the elections to the committees of twelve other Co-operative Sugar Factories specified in Schedule II to this Act, which have completed erection and started crushing season, but which wanted some more time to hold and complete the elections according to the revised elaborate procedure. It had been represented that because of the rainy season and agricultural operations, and the inconvenience likely to be caused to the electors, the time was not suitable and sufficient to hold and complete the elections. It was, therefore, necessary to postpone elections of these societies also, but for a shorter period upto the 20th October 1977, and to extend the term of office of existing members of committees and administrators for that period to give them some more time to hold the elections according to the revised procedure. 4. As both Houses of the State Legislature was not in session and it was necessary to take immediate action to provide for postponement of elections and extension of term of office as aforesaid and for matters connected therewith, the Governor of Maharashtra promulgated the Maharashtra Co-operative Sugar Factories (under erection and certain others) (Postponement of Elections) Ordinance, 1977, on the 1st September 1977. This Bill is

intended to convert the Ordinance into an Act of the State Legislature.
