(c) that during the currency of the existing rent there has been a fall not due to a temporary cause in the average local prices of staple food-crops in the taluk or zamindari division.

(2) ²[On such an application being made], the Collector may direct such reduction of the rent as he thinks fair and equitable and, in settling the amount of reduction under clause (c) of sub-section

(4) The application shall be made before the 1st day of September of the revenue year following that in respect of which the remission of rent is claimed and shall not be liable to be dismissed on the mere ground that such rent had been previously or subsequently paid or realized.

(5) The pendency of an application under sub-section (1) or of an appeal under sub-section (7) shall not by itself debar a landholder from recovering the rent lawfully payable for the time being from the ryot, but the Collector may stay proceedings for the recovery of such portion of such rent on such terms as he may deem fit. In doing so, the Collector may direct the payment of the remaining portion of the rent to the landholder or his authorized agent in the presence of the Collector or any officer authorized by him and within such time as the Collector may fix.

On such application, the Collector may, after satisfying himself that the amount or balance is still due, proceed to recover the same as an arrear of land revenue.

(9) The District Collector shall, in the month of April of every year, publish in the District Gazette and at each taluk office, lists of average market prices of staple food-crops in each taluk for the twelve complete months preceding such publication and such lists shall, in any enquiry under this section, be conclusive evidence of the prices of such crops in such locality at such time:

42. Alteration of rent in respect of alteration in area :-

(1) Every ryot shall--

(b) be entitled to a reduction of rent in respect of any deficiency proved to exist in the area of his holding as compared with the area for which rent has been previously paid by him unless it is proved that the deficiency is due to the loss of land which was added to the area of the holding by alluvion or otherwise and that an addition has not been made to the rent in respect of the addition to such area.
