Through this application filed under Section 27 of the Armed Forces Tribunal Act, 2007, the applicant seeks transfer of OA (Appeal) 137/2016

pending at Regional Bench Chennai to the Principal Bench at New Delhi only on the ground that the Chennai Bench is not functioning.

It is a known fact that many of the Regional Benches are not functioning and even Principal Bench at New Delhi is functioningÂ

with only one Administrative Member. Merely because the Chennai Bench is not functional cannot be a ground to allow transfer of OA

(Appeal) 137/2016 to Principal Bench. In the Regional Benches pendency of cases is very less as compared to the Principal

Bench where approximately more than 5000 cases are pending.

Taking note of the circumstances and the facts that process of appointment of Members, Judicial and

Administrative, is at its advance stage, no case is made out for allowing this application.

That apart, Judicial notice can also be taken of the fact that every month the hearing of cases of Chennai Bench is going on and urgentÂ

matters are being taken up through Video Conferencing. That being so, the applicant, if so advised, may file an application forÂ

early hearing and when such an application is filed the Registrar is directed to place the same before the Member (A) for listing of the matter.

AT stands disposed of.
