The life of a person, whose right arm has been amputated above elbow, can be well imagined. The income of the injured-claimant cannot be taken as less than Rs. 3000/- per month. So in this manner, the yearly income is taken as Rs. 36,000/-. The permanent disability is to the extent of 89%. So the yearly loss of income comes to Rs. 32,040/-.
